KAPAA HONGWANJI BUDDHIST TEMPLE

JANUARY 2020

New Year's Greeting

Happy New Year, everyone! At the beginning of this New Year, I would like to extend my best regards to you all.

Last year again, following the year before, Japan, as well as many other countries in the world, was struck with multiple natural disasters. I would like to convey my deepest condolences to those who lost their lives through those disasters and express my sympathy to everyone affected. In addition, we must never forget that armed conflicts and terror attacks as well as severe starvation is making it difficult to live, and lives are being lost every day.

Last September I had an opportunity to make an official visit to the temples of the Buddhist Churches of America as Monshu for the first time. This allowed me to complete the first round of visitations to all of the overseas districts which include Canada, Hawaii, South America, and the US mainland.

Although every temple and district has its own history and background, many of the overseas Jodo Shinshu temples were established and have been cherished by the Japanese immigrants and their descendants. Reflecting on how sincerely our predecessors entrusted themselves to the Buddha Dharma and how importantly they thought of their temples while facing many difficulties such as World War II, I cannot help but feel grateful and even awe for their tremendous efforts as well as many other wondrous circumstances that have allowed the Jodo Shinshu teaching to be handed down to us today.

However, a considerable amount of time has passed since the Japanese emigrated overseas, and the lifestyle of their descendants, as well as the world situation have changed greatly. In accordance with these changes, quite a few people who are not of ethnically Japanese origin have also come to appreciate the teaching clarified by Shinran Shonin, and attend our overseas temples.

What caused this is nothing but the universality of the Jodo Shinshu teaching that transcends time and space. In other words, Amida Buddha's compassion equally reaches and nondiscriminatively embraces everyone in the midst of all sorts of pain and agony.

In this year, let us continue to listen to the Dharma, considering it is directed to each one of us, and keep moving forward to share it with many other people as possible.

“NAMO AMIDA BUTSU AND HAPPY NEW YEAR!

At the start of the New Year, let me begin by expressing my deepest appreciation and gratitude to the entire Sangha and Friends of Honpa Hongwanji Mission of Hawaii who have supported our Organization for over 130 years in Hawaii. It is because of Amida Buddha's Great Wisdom and Compassion, the guidance received from the Revered Masters and Teachers like Shinran Shonin who shared the Teachings and the Sangha that we have been able to come this far. Thank you to one and all!

Deeply reflecting, I have noticed that we speak a lot about the Buddha and the Dharma, but we seldom speak about the Sangha. However, the Sangha is also essential. Thus, out of this awareness, our next 5 Year Theme and Slogans will focus on the Sangha. Of course, the Sangha (which is you and I) which tries to live the Dharma as shared by the Buddha. There is no doubt that the thoughts, words and actions of every individual is very important and makes a difference.

Let us receive guidance from “The Teaching of Buddha” in which it shares about clergy that *“Those who wish to teach the Buddha's teachings acceptably must be concerned about four things: first, they must be concerned about their own behavior; second, they must be concerned about their choice of words when they approach and teach people; third, they must be concerned about their motive for teaching and the end they wish to accomplish; and fourth, they must be concerned about great compassion.”* Further it shares *“Lay followers should not only believe in the Three Treasures...by themselves, but also they should, as far as they are able, help others...to awaken in them an unshakable faith in the Buddha, the Dharma and the Sangha, so that they, too, may share in Buddha's compassion.”* Let us, the Sangha, clergy and lay, jointly together share our awareness, joy and gratitude for Buddha-Dharma.

In Jodo Shinshu Teachings, Shinran Shonin shared that when we (regardless of whether we are clergy or lay) realize true mind (shinjin), we unfailing gain ten benefits in the present life. I would like to mention three of the ten: the benefit having great joy in our hearts, the benefit of being aware of Amida's benevolence and of responding in gratitude to his virtue, and the benefit of constantly practicing great compassion.” In regards to “practicing great compassion,” Shinran Shonin quotes a sutra *“What is “great compassion?” Those who continue solely in the nembutsu without any interruption will thereby be born without fail in the land of happiness at the end of life. If these people encourage each other and bring others to say the Name, they are all called “people who practice great compassion.”*

Further, let us keep in mind the thoughts of our 3rd Spiritual Leader Kakunyo Shonin who said, *“(Our) Prosperity is dependent on the quality and depth of the Shinjin of our Followers.”* Rennyō Shonin, our 8th Spiritual Leader, further shared, *“...be careful not to let the mind run its course unbridled...be sure to control it. It is wrong to allow the mind to take its course unchecked. We are enabled to control the (our) mind due to the Other-Power.”* Finally, our 25th Spiritual Leader, His Eminence Gomonshu Kojun Ohtani shares *“By listening to the Primal Vow and how it was established by Amida Tathagata, we are enabled to become conscious of our own ignorance and self-oriented inclinations, and through such awareness, we naturally become gentle in word and deed in our efforts of minimizing our egoistic way of thinking.”* *“Even though our efforts may pale in comparison to the Buddha's Compassion, we are at least guided in the proper direction by the Buddha Dharma.”*

As I have been emphasizing the life of Shin Buddhist is one of responding in gratitude to the Wisdom and Compassion of Namo Amida Butsu by reciting the Nembutsu and we try to live our life guided by the Dharma in grateful response until our life culminates (at death) with our entering the Pure Land of Perfect Peace and Happiness to attain Perfect Peace of Enlightenment. May the New Year be truly prosperous in the truest sense of the word. Happy New Year!

In Gassho/Anjali,

Eric Matsumoto, Bishop

Building Healthy Sanghas: Embracing Generosity and Openness

Note: This message appears as part of the introduction to the Honpa Hongwanji Mission of Hawaii's 2020 calendar. When you receive your calendar, please reflect on the three suggested actions below.

Every year, over many weeks, five individuals gather to discuss, ponder, select, write, and review. And the result of their efforts is the Hawaii Kyodan Calendar that will be distributed soon. Alan Kubota, Stephan Doi, Yumi Suzuki, Rev. Kazunori Takahashi, and Bishop Eric Matsumoto toiled mightily to bring us this calendar out of a personal commitment to inspire us. This year they committed their best efforts, using the theme ***Building Healthy***

Sanghas and the slogan, ***Embracing Generosity and Openness***, to carefully select photographs and words that move us to action. But in works such as this, the challenge is to transform inspiring photographs and lofty words into real and everyday actions that touch others. If we fail to take on this challenge, the theme and slogan and the hard work of these five individuals easily vanish from our hearts and minds even as we turn the pages of the calendar. Then the commitment of these five good people who gave us this calendar will hold no power. Let us not allow this to happen. I suggest that we all consider the following as each month unfolds.

When we turn each page to a new month, let us take the time to really look at the picture, every object, every person. Let us see the act of generosity or the act of acceptance and openness embedded in the picture. Let us see the reflected warmth and joy of the sangha in the photograph.

Then in the days that follow, let us use the picture of the month to inspire us to be generous and open and joyful with others. Let us transform opportunities in the fleeting moments of our lives into action. And here I think of simple actions as a hearty, "Good morning," a smile full of warmth, and a gentle touch of reassurance.

And in the moments when we have transformed the lofty phrases of our theme and slogan into tiny, real and true actions, let the sound of Namo Amida Butsu flow through us.

If we take the time and commit ourselves to perform these three acts, the pages of the calendar will breathe Namo Amida Butsu into our lives. Our sanghas will grow healthy because threads of generosity and openness will begin to bind one member to another. And we will have made the commitment of Alan Kubota, Stephan Doi, Yumi Suzuki, Rev. Kazunori Takahashi, and Bishop Eric Matsumoto real and true.

New Year's Greetings to All

The New Year is a perfect time of reflection and gratitude. We express our gratitude to Amida Buddha for all the good things that the past year has given us and look forward to a new beginning. Let us begin the year by joining the Sangha for Sunday services and listening to the Dharma which will bring awareness and realization to help us live in harmony with others. We recite Namu Amida Butsu as we look forward to a joyful, meaningful and fulfilling year with our Sangha.

Gojo Donation - Our sincere appreciation for your kind and generous donations. Your overwhelming response expresses our gratitude and appreciation to Reverend Majima for being our resident minister and sharing the Buddha's teachings. We will soon be ordering the Gojo which will take some time to make.

Mochi Sale - Many thanks to our hardworking volunteers who helped with our mochi fundraiser. Although we had to rise early in the morning, it was a lot of fun getting together with our Sangha to make mochi and talk story. We hope this fundraiser will help to reduce our financial deficit.

108th Legislative Assembly (Giseikai) - The Honpa Hongwanji Mission of Hawaii Legislative Assembly will be held on February 7-8, 2020. Reverend Majima and I will be representing Kapaa Hongwanji as delegates. At the assembly the Honpa's budget and other resolutions will be presented, discussed and voted on.

Membership Renewal - We will be sending out membership renewal letters soon. We will need to work hard and continue to do fundraisers and hall rentals to increase our income. Due to our limited manpower, we are having difficulty to do this. If we can count on more volunteers to assist with the fundraisers, we will be more successful. Another concern is returned tickets or no response when fundraising tickets are distributed. Our only option may be to raise the Gogikai dues. Currently our annual due is \$300. Each year the temples are assessed according to our membership count. Last year our assessment to the Honpa was about \$12,000 with a membership count of 66. As you can see, of the \$300 you contribute, we need to send the Honpa about \$180. The remainder of \$120 is used to support the temple's operational expenses which includes the minister's salary. Is it possible to operate the temple with a budget of \$8,000?

Service & Installation of 2020 Kyodan Board of Directors & Officers - Feb. 23 @ 9:00 a.m.
We will be installing the following Board members: Stanford Iwamoto (Secretary), Milton Nakamura (Treasurer), Clint Saiki, Gloria Shimizu (Asst. Treasurer), Clyde Takekuma, Pat Yamamoto, and Roberta Yanagawa (President).

General Membership Meeting - February 23, 2020 @ 10:00 a.m.

The General Membership meeting will be held at the Social Hall following the service. The future of the temple is of great concern. Each year we have been tapping into our reserve funds. It will soon be depleted. Another concern is volunteers to help clean the temple and grounds. We also need your participation for temple events. We value your input and would like you to join us for this meeting. Being complacent or just complaining will not resolve the problem. We welcome your ideas and suggestions. We need to act now before its too late.

New Year's Party - Sunday, February 23, 2020 @ 11:00 a.m. Following the membership meeting we will be celebrating the New Year. We invite you, your family, friends and supporters of Kapaa Hongwanji to join us. We would appreciate a head count for the Keirokai members and others so we can prepare. Please call 822-4667 or email: mail@kapaahongwanji.org. Mahalo!

DECEMBER 2019

BISHOP'S CORNER

Bishop Eric Matsumoto

As I mentioned last month, as Honpa Hongwanji Mission of Hawaii, we will for the next five years focus on the Sangha. A Sangha that is nurtured by the Buddha-Dharma.

Today, let me share wise and insightful guidance that we receive from our Teachings which explains to us how the Sangha can grow. In the book, "The Teaching of Buddha," it emphasizes the importance of sincerity of thoughts, words and actions and harmony in/of the Sangha.

Further it shares *"There are two sets of seven rules to be followed if the Sangha is to be a success. The first is, as a group: (1) they should gather together frequently to listen to the teachings and to discuss them; (2) they should mingle freely and respect one another; (3) they should revere the teachings and respect the rules and not change them; (4) elder and younger members are to treat each other with courtesy; (5) they should let sincerity and reverence mark their bearing; (6) they should purify their minds in a quiet place which they should, nevertheless, offer to others before taking it for themselves; (7) they should love all people, treat visitors cordially, and console the sick with kindness. A Sangha that follows these rules will never decline.*

The second is, individually each should: (1) maintain a pure spirit and not ask for too many things; (2) maintain integrity and remove all greed; (3) be patient and not argue; (4) keep silent and not talk idly; (5) submit to the regulations and not be overbearing; (6) maintain an even mind and not follow different teachings; and (7) be thrifty and frugal in daily living. If its members follow these rules, the Sangha will endure and never decline."

Another important Teaching is, in the words of His Eminence Koshin Ohtani, Monshu (Spiritual Leader) Emeritus found in his book "The Buddha's Wish for the World," what is referred to as *"the seven gifts that require no possessions."* *The seven gifts are: 1-The gift of gentle eyes, looking at others kindly. 2-The gift of a smile and kind expressions. 3-The gift of words, speaking kindly to others. 4-The gift of the physical body. Acting properly yourself, and treating others with respect. 5-The gift of heart, touching others with a heart full of love. 6-The gift of a resting place, offering a place to sit and rest. 7-The gift of shelter and lodging, providing others with a room or a warm place to stay."*

As the Sangha at our temples and in our individual lives as Buddhists, let us see how we might try to do or make manifest some of what is mentioned above in our lives and at temple including programs and projects. As His Eminence continues to say that as a bonbu or "foolish being, *"Of course, we cannot live the way the Buddha did. However, we can emulate the Buddha. When we do so, we can better appreciate what a truly wonderful heart the Buddha must have had in order to accomplish what he did."*

In Shin Buddhism, we aspire in grateful response to Amida Buddha's Great Unconditional Compassion which embraces this imperfect me just as I am, fully acknowledging my limitations including the fact that I am, many times, directly or indirectly and totally or partially, a cause and/or condition of others' and/or my own suffering. In all of Buddhism, the goal is not to be a cause, condition and/or result of ignorance and suffering and realize true liberation or freedom which is Nirvana or as we would say in Jodo Shinshu attain birth in the Pure Land of Enlightenment.

As the Old Year draws to a close, let us deeply reflect so that we start the New Year with new aspirations. I encourage everyone and ask that you to encourage those closes to you to visit your Hongwanji Temple for New Year's Eve Service and/or New Year's Day Service. Have a peaceful and meaningful New Year!

Namo Amida Butsu/Entrusting in All-Inclusive Wisdom and All-Embracing Compassion (Amida Buddha, the Buddha of Immeasurable Life and Infinite Light).

LIVES REMEMBERED: A TRIBUTE TO THE FALLEN OF PEARL HARBOR

Bishop Eric Matsumoto and Reverend Kazunori Takahashi, as part of the Hawaii Buddhist Council, attended a Memorial Ceremony “Lives Remembered: A Tribute to the Fallen of Pearl Harbor” which was held on Monday, December 9, 2019 at the Banyan Tree on Ford Island. This ceremony was co-hosted by the Consulate General of Japan in Honolulu and Navy Region Hawaii to recognize both the American and Japanese lives lost during the Pearl Harbor attack of 1941, and as a symbol of reconciliation and friendship between Japan and the United States. The Ceremony began with the National Anthems of both countries, remarks by Mr. Koichi Ito (The Consul General of Japan in Honolulu) and Rear Admiral Matthew Carter (Deputy Commander, U.S. Pacific Fleet), and a keynote speaker Mr. Michael Carr (President & CEO, USS Missouri Memorial Association).

HAWAII BETSUIN HOSTS MARY FOSTER REMEMBRANCE AND APPRECIATION SERVICE

On Sunday, December 15, Hawaii Betsuin and Maha Bodhi Hawaii presented a service at Hawaii Betsuin to remember and appreciate the contributions of Mary Elizabeth Mikahala Robinson Foster to Buddhism in Hawaii, Sri Lanka and India.

The service opened with a welcome and introductory remarks by emcee Dexter Mar, president of the Hawaii Betsuin Board of Directors. Following an oli offered by kumu hula Lehua Matsuoka, a Bodhi tree sapling was unveiled on the temple altar. The tree was a gift of the Venerable Dhammamuni Mahathero of Wat Dhammavihara of Waianae, who offered a chant in Pali. Pacific Buddhist Academy Head of School, Josh Hernandez Morse, and two PBA students led the sangha in the Vandana and Ti-Sarana.

Bishop Eric Matsumoto and the Venerable Ayya M. Vimala each offered remarks from the podium. The Bishop's message emphasized the many ways Mary Foster provided support and assistance to Buddhists and Honpa Hongwanji in Hawaii, beginning as early as 1899. Ayya M. Vimala, founder of Maha Bodhi Hawaii, spoke about Mary Foster's friendship with Anagarika Dharmapala and support for his projects. Ayya Vimala also described her own efforts to make known Mary Foster's contributions to Buddhism.

The service closed with the singing of "The Bodhi Tree" gatha and the Nembutsu.

Mary Foster died in 1930. Bishop Matsumoto noted that sources indicate Mary Foster requested a Buddhist funeral before she died, which, had it occurred, would likely have been conducted by the Rev. Ernest Hunt at Hawaii Betsuin. Such a funeral did not occur as Mary Foster did not put her request into writing. Bishop said,

It is, now, today, 90 memorial years later, that... Mary Elizabeth Mikahala Robinson Foster's wish has come true as we hold this Remembrance Service to honor and express our gratitude to her. Today is long overdue, but it is finally here! Thank you to all of you, for being here today.

Bishop Matsumoto's message is available on the Honpa Hongwanji Mission of Hawaii

Windward Buddhist Temple

- Monthly Dharma School continues with 5 students. The students had an early morning service at Kailua Beach prior to the regular Earth Day Sunday service. After their service they collected trash from the beach and made a “Dharma School” sign with the trash. The sign is hung in the temple office where they have their lessons. In November, the Mililani Hongwanji Dharma School children and parents visited. The WBT and Mililani children made stone soup and did crafts together.
- Two adult Dharma Classes were conducted by Rev. Sumikawa. Several non-members have attended these classes and some now regularly attend Sunday service. Few students were from the Kaneohe Marine Corp.
- Members were finally allowed to visit the Waimanalo Japanese Cemetery located on the Marine Corps property in Bellows Field. Rev. Sumikawa performed an Obon service for more than 30 gravesites. The publicity following the visit has generated interest from Waimanalo residents who want to visit the cemetery. WBT will be doing annual visits during Obon and including interested residents.

- Monthly intergenerational activities included folding large paper cranes, which were hung on dowels for the International Peace Day walk around Kailua town, crafting toilet paper pumpkins in October, and Thanksgiving cards in November.
- After the Peace Day service Rev. Sumikawa, dressed in his robes and carrying a staff, walked with about 12 members around Kailua town. They visited several businesses, offered large paper cranes and talked to people to make them aware of International Peace Day.
- Community Partnerships
 - WBT partners with Kailua Elementary School by providing volunteers and supplies. A member sewed the costumes the students wore in their 90th anniversary program in May. In turn, we are allowed to use their parking lot for our Bon Dance in July.
 - WBT partners with the Kaneohe Kiwanis by allowing them to have their meetings at the temple. In turn, they provide manpower during our Bon Dance and fund raising events.
 - In October WBT was invited by Windward Mall to participate in their first Bon Dance at the Mall. The Mall borrowed the WBT yagura and provided publicity for WBT in the Kaneohe Community. The event was also a fundraising opportunity at which we sold andagi, takuan, bon towels, etc.
 - WBT has loaned its yagura to Windward Community College and to Nichiren Mission of Hawaii for their bon dances.
 - The first Windward Interfaith Service will be held at WBT on January 7, 2020.

MAUI DISTRICT NEWS

Lānaʻi Hongwanji Mission

- Bon 2019 (Approximate Attendance 300 participants)
 - Outside help is important to Lānaʻi Temple's Obon Dance. The Lānaʻi Lions Club is a big help, as well as an unofficial Bon Dance group from Maui. Nearly two dozen individuals from various Japanese temples demonstrate the dances for our local community to join in. The dancers spend the night in the temple residence and really give life to the festival. This year, we had new volunteers to handle all the food preparations.
- Sushi Class (Approximate Attendance 20 participants)
 - With help of friends from Lahaina Hongwanji, we hosted a sushi-rolling class open to the Lānaʻi Community. Participation was exceptional.
- Annual Fall Bazaar (Approximate Attendance 75 participants)
 - This key fundraising event involves a large part of the local community. Many people that normally would not visit the temple were welcomed inside and interacted with members.
- Meditation Retreat (Approximate Attendance 15 participants)
 - This is the third time that Lānaʻi Hongwanji hosted a Vipassana Retreat. Vipassana Hawaii has been the main partner in presenting mediation practice and dharma talks.
- There is further community interest in Taiko Drumming, Bon Dancing, and Japanese Cooking. We only need the motivated volunteers to promote these events to develop them further.

Wailuku Hongwanji Mission

- A "Buddha Reads" book club was established to allow discussion of Dharma principles in the context of message-relevant books. The Book Club is open to community members and serves as a means to broadening engagement in our Jodo Shinshu teachings. There is already one non-member participating in the book club. **Contact Danny Topp for more information.**
- Through the efforts of our Wailuku Hongwanji Dharma School, the publication "Expressions of Dharma" was released. The book represents a collection of thoughts, poems, aspirations, and art by numerous dharma school students and the general Sanghas of the Maui District Temples. All temples received copies.

- To engage a larger portion of the community, we are going to add English titles to our temple holidays. Examples are “Celebration of our Founder Shinran Shonin” to be added to announcements for Fujimatsuri and “Celebration of Buddha’s Birth” added for Hanamatsuri.

Makawao Hongwanji Mission

- Makawao was the host temple for Maui Districts Peace Day Celebration. Makawao’s sangha made over 2,000 extra-large water-proof cranes which were put on display around the Bodhi tree.
 - On September 21, over a hundred people attended a service with Buddhists from all over Maui including two nuns from the Vietnamese Buddhist Center Chua Tu Hanh in Kahului and thirteen Vietnamese Buddhist monks from the Blue Cliff Monastery in upstate New York. Rev. Kerry led a walking meditation in the manner of the Blue Cliff Monastery which was followed by a simple vegetarian meal and activities in the social hall. An added plus is that the displayed cranes will be recycled for Peace Day 2020.
- The Temple Welcome/Greeting Program held an orientation for new greeters. Twelve people will be on rotational duty with two greeters assigned for a month two times a year. This ensures that Sunday Service visitors will feel welcome when they enter Makawao Buddhist Temple.
- A second large screen TV was mounted for maximum visibility during services. Junior YBA members have utilized the technology by preparing computer presentations. The advantages of a TV include: 1) colored visuals 2) songs, chants and other words can be read on the screen and books are optional 3) less paper waste 4) visually oriented people have the advantage of listening to the dharma plus seeing the words and visuals which is also great for the hearing impaired.
- Makawao Hongwanji’s Facebook page increased its follower count from 68 people in 2018 to more than 500 in 2019. The most popular post, Peace Day, reached 4,443 people, was shared 53 times, and generated 1,070 engagements at zero cost. More than 10 non-Hongwanji members attended the Peace Day event and at least 3 people visiting Maui specifically mentioned that they found the event on social media. Makawao Hongwanji’s Google listing is viewed about

6,800 times a month, showing up in 3,930 Google searches and being clicked on by 545 people.

Kohala Hongwanji Mission

- Kohala held two cooking classes this year as fundraisers. We are so small that having large scale food fundraisers or any large fundraiser is out of the question. So we tried something different that still included food as a cultural unifier.
 - We invited people to temple for a cooking class with a fee. Our first class was futomaki sushi making attended by 20 people. Our second, attended by 14 people, was a nishime class. Non-members were able to visit our

temple; cooking teachers shared a little about Buddhist/local traditions, such as Obon, and how our teachings can help us in today's world. Class attendees shared a meal with the prepared food and received a booklet with the recipes and temple information. Both classes were well received and attendees have asked for more.

Papaaloo Hongwanji Mission

- We hosted the annual Tsunami Memorial to honor those lost in the devastating 1946 Tsunami. This memorial which began in the mid 1970's is held at the Laupahoehoe Beach Park. We have a short service officiated by Reverend Kawagoe and followed by offering of incense.

 - Our Temple provides a soup and sandwich lunch and fellowship after the memorial service.

Papaikou Hongwanji Mission

- We participate in the Adopt-A-Highway 4-Temple Hongwanji Council highway cleanup program involving Honomu, Honohina, Papaaloo, Papaikiou Temples. We cover 2-miles of highway once each quarter.
- We are known for our Mochi Project, selling Kasane and Komochi. This is one of our major fundraising project.
 - We annually pound 750# of mochi rice and this past year prepared 6,600 Komochi orders, not including our 2",4" & 6" Kasane orders. We raised \$6,000 from this project alone. This year between 55-60 temple and family members plus supportive Sangha friends from other temples helped with this project.
- We attended our first Hawaii County Economic Opportunity Council Board meeting to learn about Senior Programs availability and accessibility towards help for our Kupuna's. We plan to attend the next meeting in January 2020.
